

"make your home FireWise"

**a public service announcement
from Woody D. Bree**

The Colorado State Forest Service gratefully acknowledges KEEP BARROW GREEN, BARROW GEORGIA, for the use of “Woody D. Bree” and thanks Alan Babcock for his fine illustrations and text.

**Woody D. Bree and his Family
finally get their
"mountain dream home."**

**Local volunteer fire
department makes suggestions
to help keep that dream from
going up in smoke...**

...I like cleaning out gutters on the roof and moving flammables away from the house,

**removing leaves, needles and
dead branches from underneath
shrubs and trees,**

**pruning branches
too close to, or
overhanging, the house,**

**cutting brush
and shrubs that may
be too close to the house.**

**Now Woody D. Bree and
his family are part of the
Firewise program**
