**MINUTES**  
**FACULTY COUNCIL**  
April 3, 2007

***CALL TO ORDER***

The Faculty Council meeting was called to order at 4:15 p.m. by Mr. Robert L. Jones, Chair.

***ANNOUNCEMENTS***

- A. Next Faculty Council Meeting - May 1, 2007 - A102 Clark Building - 4:15 p.m.

Mr. Jones announced that the next Faculty Council meeting will be held on Tuesday, May 1, 2007 in Room A102 Clark Building.

- B. Administration/Faculty Dialogue - May 1, 2007 - 3:45 to 4:15 p.m. - Mr. Tony Frank, Provost/Senior Vice President

Mr. Jones announced that Mr. Tony Frank, Provost/Senior Vice President, will present the May 1, 2007 Administration/Faculty Council Dialogue.

- C. Current Issues Topic - May 1, 2007

Mr. Jones announced that a Current Issues Topic has not been scheduled for the May 1, 2007 Faculty Council meeting.

- D. Proposed Revisions to the Faculty Council Handbook, Section III.G - Faculty Council Operating Procedures - Faculty Council Standing Rule Regarding the Minutes of the University Curriculum Committee - Executive Committee

Mr. Kirk Hallahan, Vice Chair Faculty Council, announced the proposed revisions to the Faculty Council Handbook, Section III.G - Faculty Council Operating Procedures will be an action item at the May 1, 2007 Faculty Council meeting.

- E. Proposed Revisions to the *Manual, Code*, Section C.2.1.9.5.h - Committee on Strategic and Financial Planning

Mr. Raymond 'Steve' Robinson, Chair Committee on Faculty Governance, announced that the proposed revisions to the *Manual, Code*, Section C.2.1.9.5.h - Committee on Strategic and Financial Planning will be ready as an action item at the May 1, 2007 Faculty Council meeting.

Mr. Jones asked for unanimous consent to revise the April 3, 2007 Faculty Council agenda to add a Special Report from Ms. Robin Brown, Vice President for Enrollment and Access regarding a proposal for admission requirements to the end of the business meeting.

There were no objections.

The special report was added to the agenda by unanimous consent.

**MINUTES TO BE APPROVED**

A. Faculty Council Meeting Minutes - March 6, 2007

Mr. Evan Vlachos moved to approve the March 6, 2007 Faculty Council meeting minutes.

Mr. Vlachos' motion was adopted by unanimous consent.

**REPORTS TO BE RECEIVED**

A. Provost/Senior Vice President - Mr. Tony Frank, Provost/Senior Vice President

Mr. Tony Frank, Provost/Senior Vice President reported that Mr. Bob Rizzuto, Vice President for Finance and Administration has been in his position for two days. Mr. Frank noted that Mr. Rizzuto will be a key person in the administration leadership at Colorado State University.

Mr. Frank reported that a draft budget for FY 2008 will be forthcoming to campus. He noted that the revenue side of the budget still needs to be finalized. He plans to discuss the FY 2008 budget at the May 1, 2007 Faculty Council dialogue session. He noted that he will not have a planned discussion and asked that the members of Faculty Council be prepared to ask him questions during the dialogue.

Mr. Frank reported that the budget planning process for FY 2009 has begun and the development of revenue will be critical for that budget.

MR. FRANK'S REPORT WAS RECEIVED.

B. Faculty Council Chair Report - Mr. Robert Jones, Faculty Council Chair

Mr. Jones noted that due to the special report to be presented, the dialogue presented by President Penley, and Mr. Frank's report covered most of what he had to report. He noted the Executive Committee meeting minutes at the end of the agenda materials.

MR. JONES' REPORT WAS RECEIVED.

C. University Benefits Committee Report - Mr. Robert Liebler, and Ms. Vickie Bajtelsmit, Co-Chairs

Mr. Jones introduced Mr. Robert Liebler and Ms. Vickie Bajtelsmith, Co-Chairs of the University Benefits Committee.

Ms. Bajtelsmith reported that the written report from the University Benefits Committee could be found on page 29 of the April 3, 2007 Faculty Council agenda items. She explained that because of budget constraints the benefit recommendations will not be fulfilled this year. She reported that beginning January 2008, any new faculty hire will have the option of participating in the PERA retirement plan. She added that this issue will necessitate revisions to the *Manual*.

MS. BAJTELSMIT'S AND MR. LIEBLER'S REPORT WAS RECEIVED.

D. Committee on Strategic and Financial Planning Semi-Annual Report - Mr. F. C. 'Ted' Weston, Chair

Mr. Jones introduced Mr. F. C. 'Ted' Weston, Chair, Committee on Strategic and Financial Planning.

Mr. Weston noted that the Committee on Strategic and Financial Planning semiannual report to Faculty Council can be found on page 30 of the April 3, 2007 Faculty Council agenda materials. Mr. Weston reported that Mr. Rich Schweigert and Mr. Bob Rizzuto will be meeting with the Committee on Strategic and Financial Planning at its April 5, 2007 meeting. Mr. Weston explained that due to the budget constraints any increases to faculty benefits, and all new faculty positions proposed are on hold. Mr. Weston noted that in his Board of Governors report at the March 6, 2007 Faculty Council meeting he stated the following:

“The CU tuition and fee base for FY07 is 163% of the CSU System. Stated alternately, the CU’s student enrollment is 1.7 times the CSU (System) but the CU is ~2.8 times the tuition and fee funding compared against the CSU System.

The FY 2002-07 State funding and tuition increase by Governing Board – the CSU System realized a 13.3% increase over the five years; the CU a 29.8% increase over the five years; and state colleges 44.3% increase over the five years. Only community colleges were below the CSU System – 13.1% over the FY 2002-07 period.

The National Center for Higher Education Management Systems (NCHEMS) “New Dollars Needed to reach NCHEMS Peer Average” for the CU-Boulder, \$64M; for the CSU-Fort Collins, \$210M (M is millions).

The Board of Governors is supporting FY08 budget increases for the CSU System of \$60M. This is a substantial increase from the \$45M that the Board approved earlier in fall 2006. This \$60M is very different from the expected amount of State funding for the College Opportunity Fund and Fee for Service (which is expected to be approximately \$10.4M).”

Mr. Weston noted that a special Board of Governors meeting has been called for Friday, April 6, 2007. He stated that he has sent a message to the Board of Governors applauding President Penley for his efforts regarding revenue spending for Colorado State University and noted that Colorado State University is paying the price for past administrations passivity.

MR. WESTON’S REPORT WAS RECEIVED.

**SPECIAL ACTIONS**

A. Changes in Curriculum to be Approved: University Curriculum Committee Minutes: February 19, 26 and March 5, 2007

Ms. Carole Makela, Chair, University Curriculum Committee, MOVED THAT FACULTY COUNCIL ADOPT THE CHANGES IN CURRICULUM FOUND IN THE FEBRUARY 19 AND 26, AND MARCH 5, 2007 UNIVERSITY CURRICULUM COMMITTEE MINUTES.

Ms. Makela noted the following exemptions:

February 19, 2007:

- Request to Establish Minimum Grade Requirement in Biomedical Sciences Minor
- Request to Establish Review Course Statement for Biomedical Sciences Major

March 5, 2007:

Request for a New Masters in Public Health Program (MPH)

MS. MAKELA'S MOTION WAS ADOPTED.

B. Request to Establish Minimum Grade Requirement in Biomedical Sciences Minor - University Curriculum Committee

Ms. Makela, Chair, University Curriculum Committee, MOVED THAT THE FACULTY COUNCIL ADOPT THE REQUEST TO ESTABLISH A MINIMUM GRADE REQUIREMENT IN THE BIOMEDICAL SCIENCES MINOR TO BE EFFECTIVE UPON APPROVAL BY FACULTY COUNCIL AS FOLLOWS:

A minimum grade of C (2.00) in either of the courses BMS 300 or BMS 360 will be required for students seeking a Minor in Biomedical Sciences.

Ms. Makela noted that the department has requested a minimum grade of C to be considered a minimal standard for a course which is considered as a foundation course for other courses in the Biomedical Sciences Minor.

MS. MAKELA'S MOTION WAS ADOPTED.

C. Request to Establish Review Course Statement for Biomedical Sciences Major - University Curriculum Committee

Ms. Makela, Chair, University Curriculum Committee, MOVED THAT THE FACULTY COUNCIL ADOPT THE REQUEST TO ESTABLISH A REVIEW COURSE STATEMENT FOR THE BIOMEDICAL SCIENCES MAJOR TO BE EFFECTIVE UPON APPROVAL BY FACULTY COUNCIL AS FOLLOWS:

MATH 117, MATH 118, MCC 120A-B, M CC 121, MATH 124, MATH 125, AND MATH 126 are considered review courses. Credits in these courses do not count in the 120 credit program of study for the Major in Biomedical Sciences.

Ms. Makela explained that this Major has a small number of elective credits and because these courses are considered review courses they will not count toward the Major. The proposed change will free up elective credits allowing students to take courses which are considered more appropriate for this Major.

Ms. Makela pointed out that the language of this proposal is consistent with other Review Course Statements in the *General Catalog*.

Mr. Alan Lamborn, Vice Provost for Undergraduate Affairs asked that the University Curriculum Committee review the wording for all Review Course Statements in the *General Catalog* because the use of the word "review" could be interpreted as "remedial" courses and Colorado State University cannot offer "remedial" courses.

Ms. Makela indicated that the University Curriculum Committee would take note of this suggestion for future discussion.

MS. MAKELA'S MOTION WAS ADOPTED.

D. Request for a New Masters in Public Health Program (M.P.H.) - University Curriculum Committee

Ms. Makela, Chair, University Curriculum Committee, MOVED THAT THE FACULTY COUNCIL ADOPT THE REQUEST FOR A NEW MASTERS IN PUBLIC HEALTH PROGRAM (M.P.H.) TO BE EFFECTIVE FALL 2008 (BOARD OF GOVERNORS APPROVAL ALSO REQUIRED) AS FOLLOWS:

An Interdisciplinary Master in Public Health (M.P.H.) Program be established and effective Fall 2008.

Ms. Makela explained that this proposal came from the Colleges of Veterinary Medicine and Biomedical Sciences, Applied Human Sciences, Natural Sciences, and Liberal Arts. The Program will be administered by an Academic Steering Committee comprised of faculty members from the four (4) colleges.

Ms. Makela added that this proposal has been reviewed and approved by the University Curriculum Committee (March 5, 2007), and the Committee on Scholarship, Research, and Graduate Education (February 8, 2007).

Ms. Makela explained that according to the Program development materials Colorado and its neighboring states face public health related problems, including persistent chronic diseases, environmental threats, rural and minority health disparities, emerging infectious disease and costly injuries. These challenges are compounded by a shortage of trained public health workers. High quality education, training, and research are needed to ensure that public health organizations can protect and improve the health and the environment in Colorado and the Rocky Mountain Region. The program will create a new interdisciplinary M.P.H. Degree Program involving a number of departments and colleges at Colorado State University.

MS. MAKELA'S MOTION WAS ADOPTED.

### **SPECIAL REPORT**

A. Special Report - Ms. Robin Brown, Vice President for Enrollment and Access - "Proposed Admission Requirements - Fall 2008"

Mr. Jones introduced Ms. Robin Brown, Vice President for Enrollment and Access to present a special report regarding proposed admission requirements to begin Fall 2008. Mr. Jones explained that Faculty Council is charged with the responsibility to recommend minimum admission standards. However, there appears to have been a disconnect of this charge in the mid 90's. Recently, an opportunity for renewed Faculty Council engagement on this charge was established, largely due to the initiatives of Ms. Brown to request an opportunity to meet with faculty members regarding the proposal for admission requirements. The Faculty Council office expects that this is the start of continued dialogue with faculty on this important topic.

Mr. Brown noted that following information regarding Colorado State University's proposed admission requirements beginning with the entrance Fall 2008.

All freshman applicants to Colorado State University (Fall 2008) must submit official documentation of courses taken and in progress and cumulative grade point average at the time of application, as well as test scores from either the SAT or ACT, one teacher or school-based counselor recommendation, and a personal essay of at least 250 words.

1. Academic/Subject Requirements:

English	4 years
Math	4 years
Natural Sciences	3 years
Social Sciences	3 years
Foreign Language	2 years
Electives	2 years (courses will be specified)
Total	18 units

2. Grade Point Average

A 3.25 cumulative grade point average at time of application for priority consideration for admission. \*

\* Applicants who meet the 18 course requirements with a cumulative 3.25. grade point average are given priority consideration in admission. Applicants who do not meet the course requirements and/or have below a 3.25 grade point average will receive holistic file review. Such applicants are strongly encouraged to apply for admission. In such cases admissions will look for other evidence of a student's potential for success at Colorado State University. Such evidence might include high school type, personal circumstances, number of work hours, leadership and community service, personal motivation, etc.

3. SAT or ACT Test

The writing component of either test is not required for admission.

4. One teacher or school-based counselor recommendation.
5. Personal Essay (minimum 250 words).

Ms. Brown explained that the following issues are the rationale for the proposed admission requirements.

- \* The current index is outdated and discriminatory.
- \* The best single predictor of college success is grade point average; SAT or ACT test scores add little predictive value.
- \* The additional rigor of course work taken with how well a student performs in those courses will create higher student success at Colorado State University.
- \* There are more selective public university using holistic file review according t Michigan affirmative action cases.
- \* Holistic file review allows for the consideration of other important/critical factors in the admission decisions.
- \* The proposed 18 course pattern requirement aligns with the Department of Higher Education's admission requirements to be effective for Spring 2010 high school graduates.
- \* Colorado State University is communicating what it takes for students to be prepared to best take advantage of the opportunities available at Colorado State University and to obtain a degree.
- \* The new requirements simultaneously recognize difference in students' preparation and opportunities.
- \* The Department of Higher Education is very supportive of this proposal and describes it as a model for admission requirements.
- \* The timing is right, as Colorado State University goes live with the "Common Application" for Fall 2008, rolls out new merit scholarship programs, and publishes different priority application deadlines for admission and scholarships.
- \* Colorado State University will clearly communicate that all students, particularly those who do not meet the course requirements and/or the 3.25 cumulative grade point average, are strongly encouraged to apply.
- \* All students will receive holistic file review and be selected for admission based on factors in addition to the courses they have taken and their cumulative grade point average.
- \* The challenge is that a number of additional readers for the holistic file review process will be required. This will have budget implications and it will be necessary to explore using volunteers versus paid readers.

Mr. Mike McCulloch suggested that a "Faculty Admissions Committee" be implemented to help with the holistic file review process.

Ms. Makela asked how these requirements will affect transfer students. Mr. Brown noted that this has not been investigated at this time and requirements may need adjustment later for transfer students.

Mr. Jones noted that Executive Committee, at its March 27, 2007 meeting, agreed that this proposed admission requirements to begin Fall 2008 should move forward with implementation as it is not lowering the current minimum admission standards.

MS. BROWN'S REPORT WAS RECEIVED.
